

April is

Financial Literacy Month

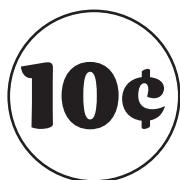

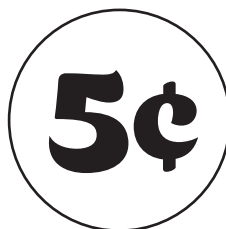

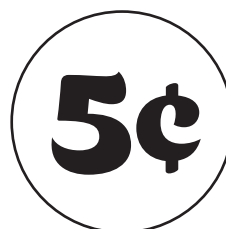

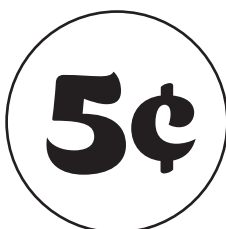

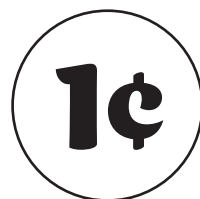

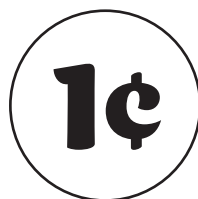

Activities for kids 4-6 yrs

**Hi! I'm Penny.
I've got some
fun activities to
teach you about
money!**

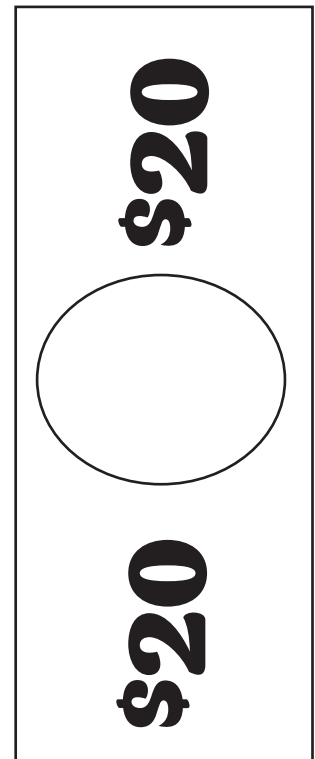

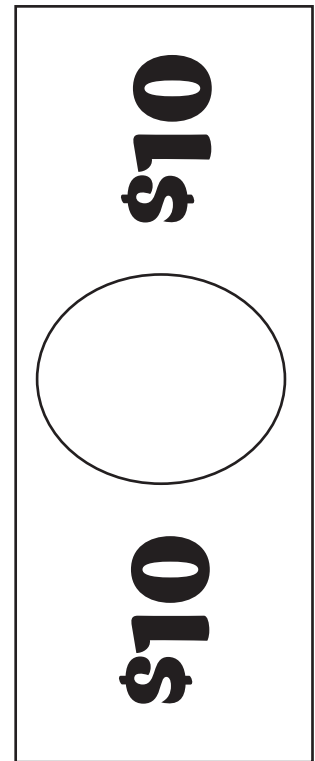

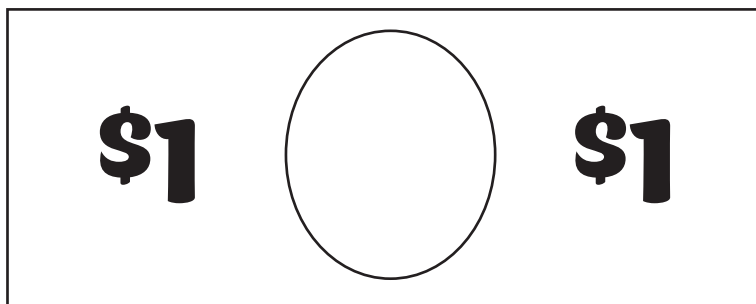

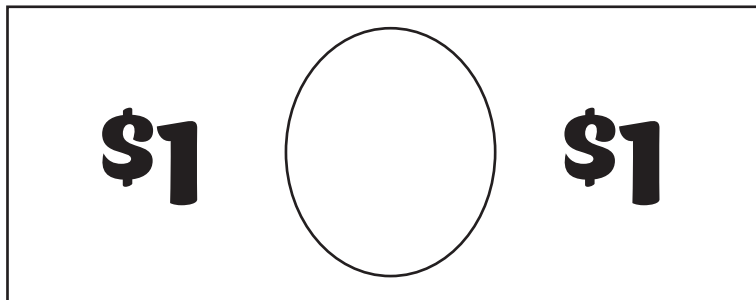

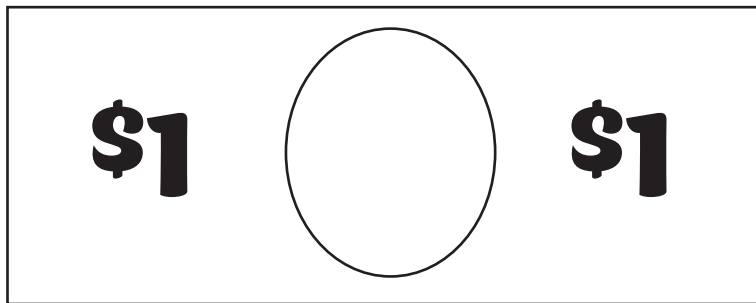

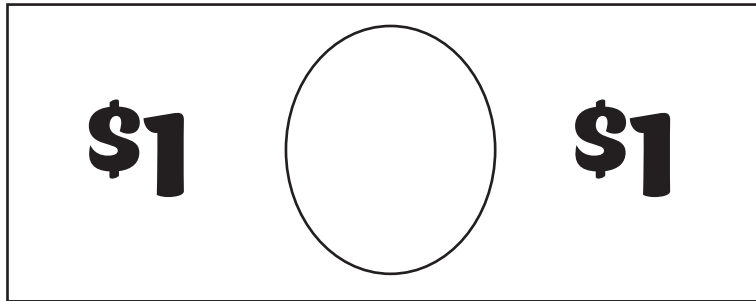

**Madison
Credit
Union**

Color and then cut out your own play money.

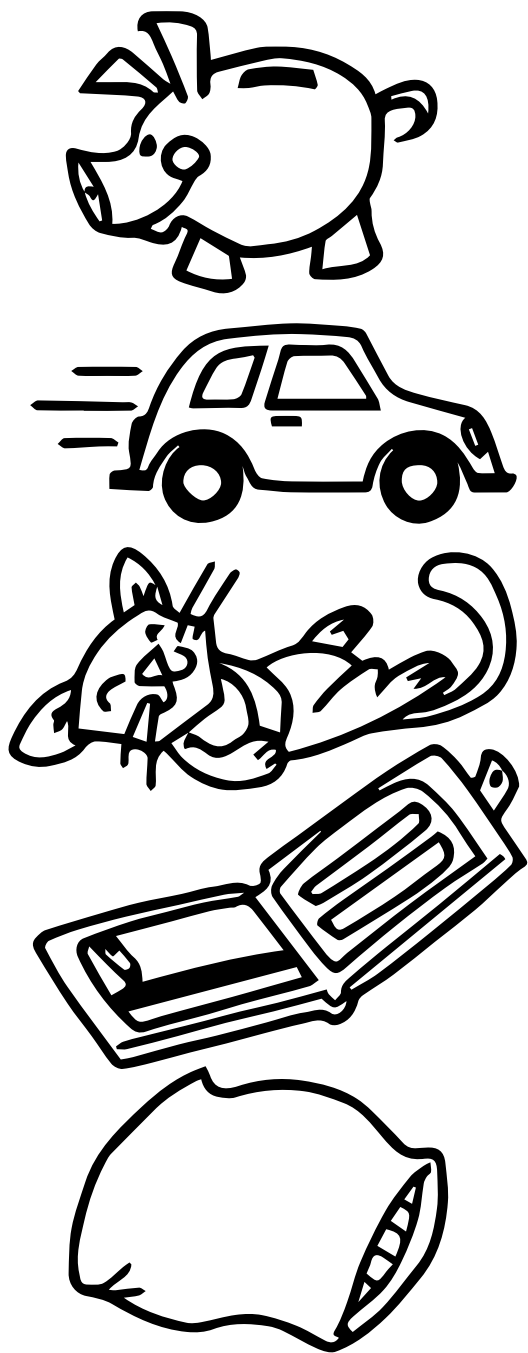

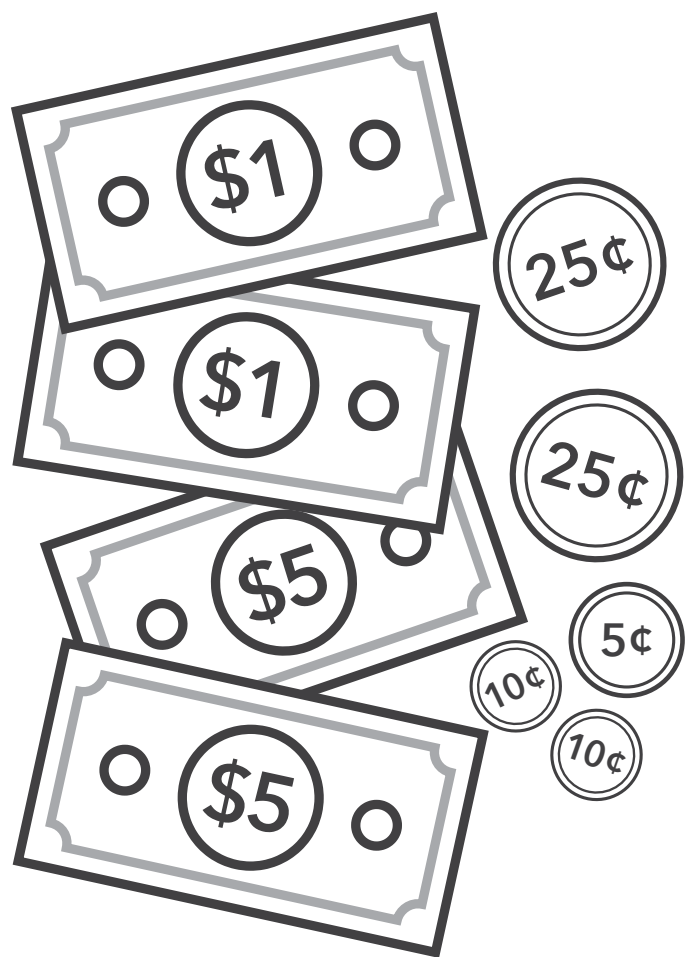

**Cut and color your own money.
Draw your own faces on the money.**

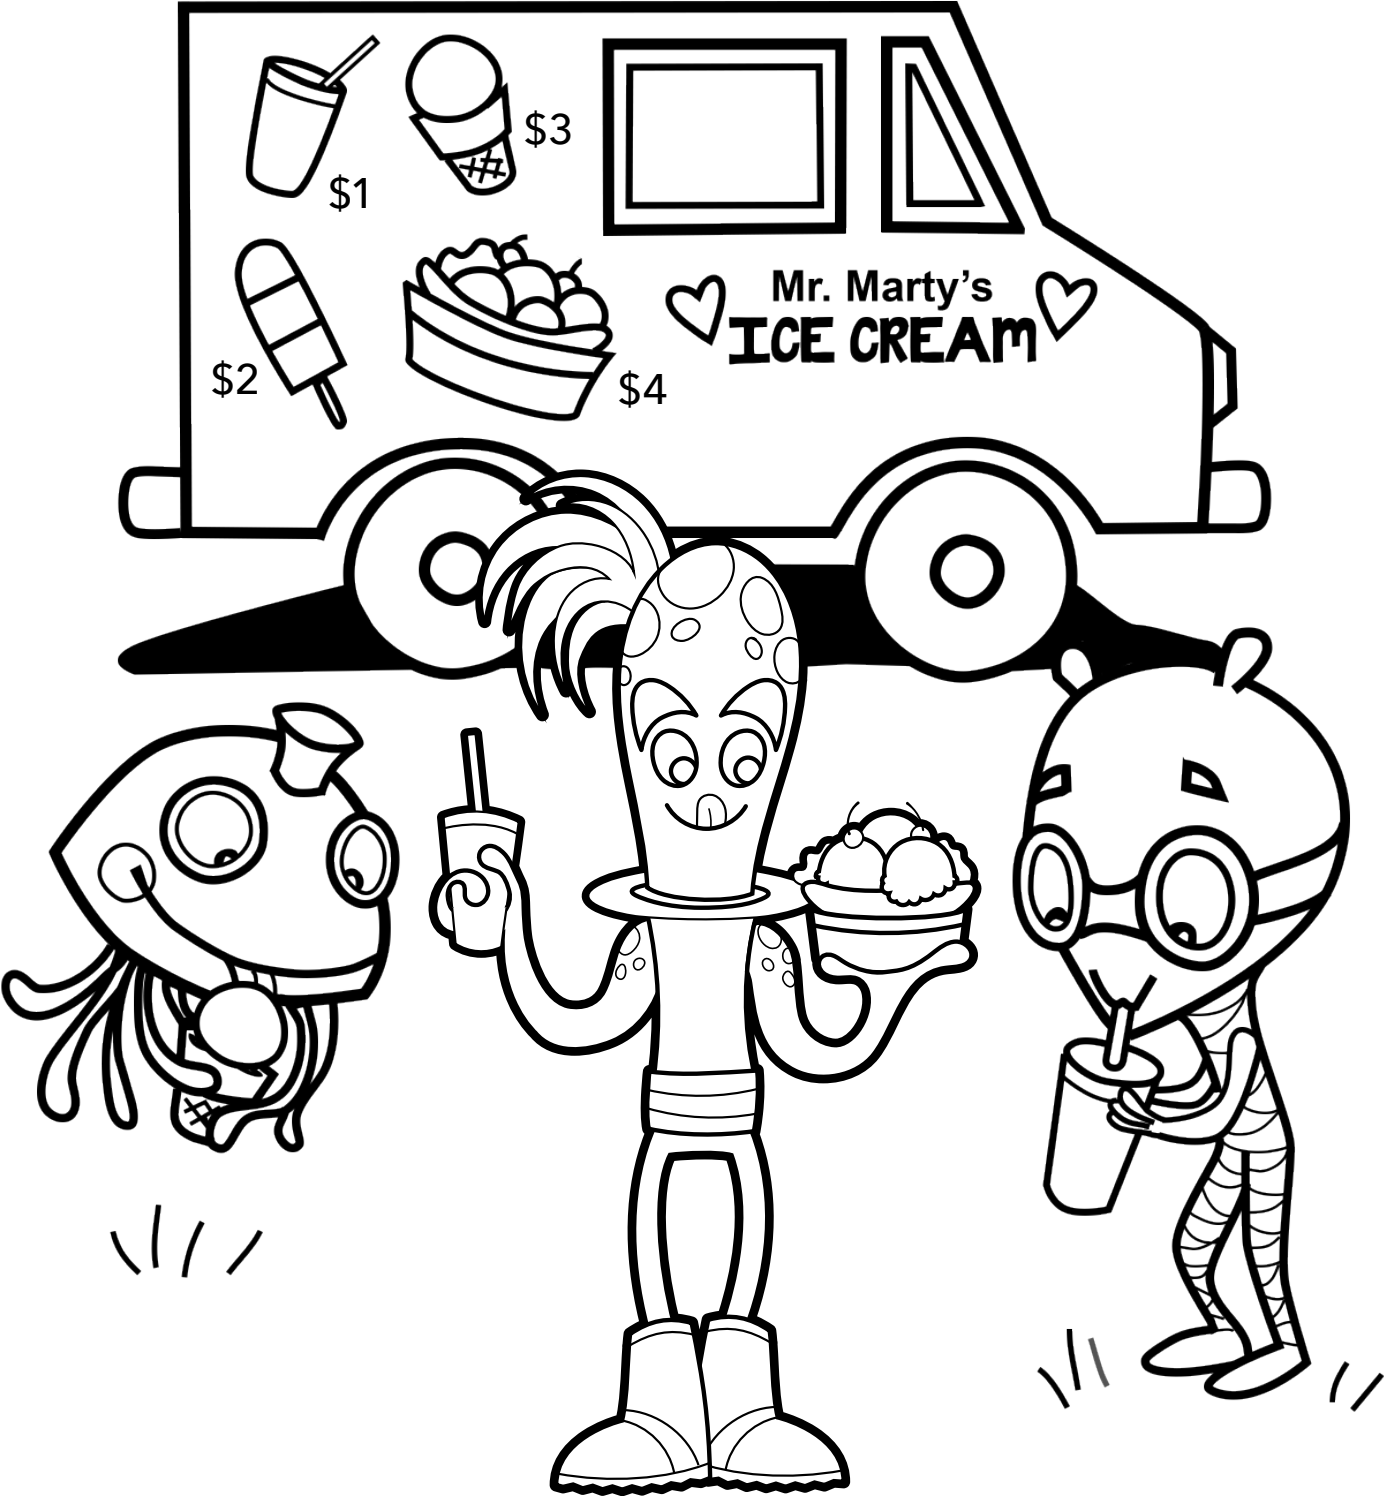

Protect your savings

It's important to keep your money safe. Draw a line from the money to two safe places to keep it.

How much money did they spend on ice cream?

Put a circle around the Money Monster who spent the most.
Put a square around the Money Monster who spent the least.

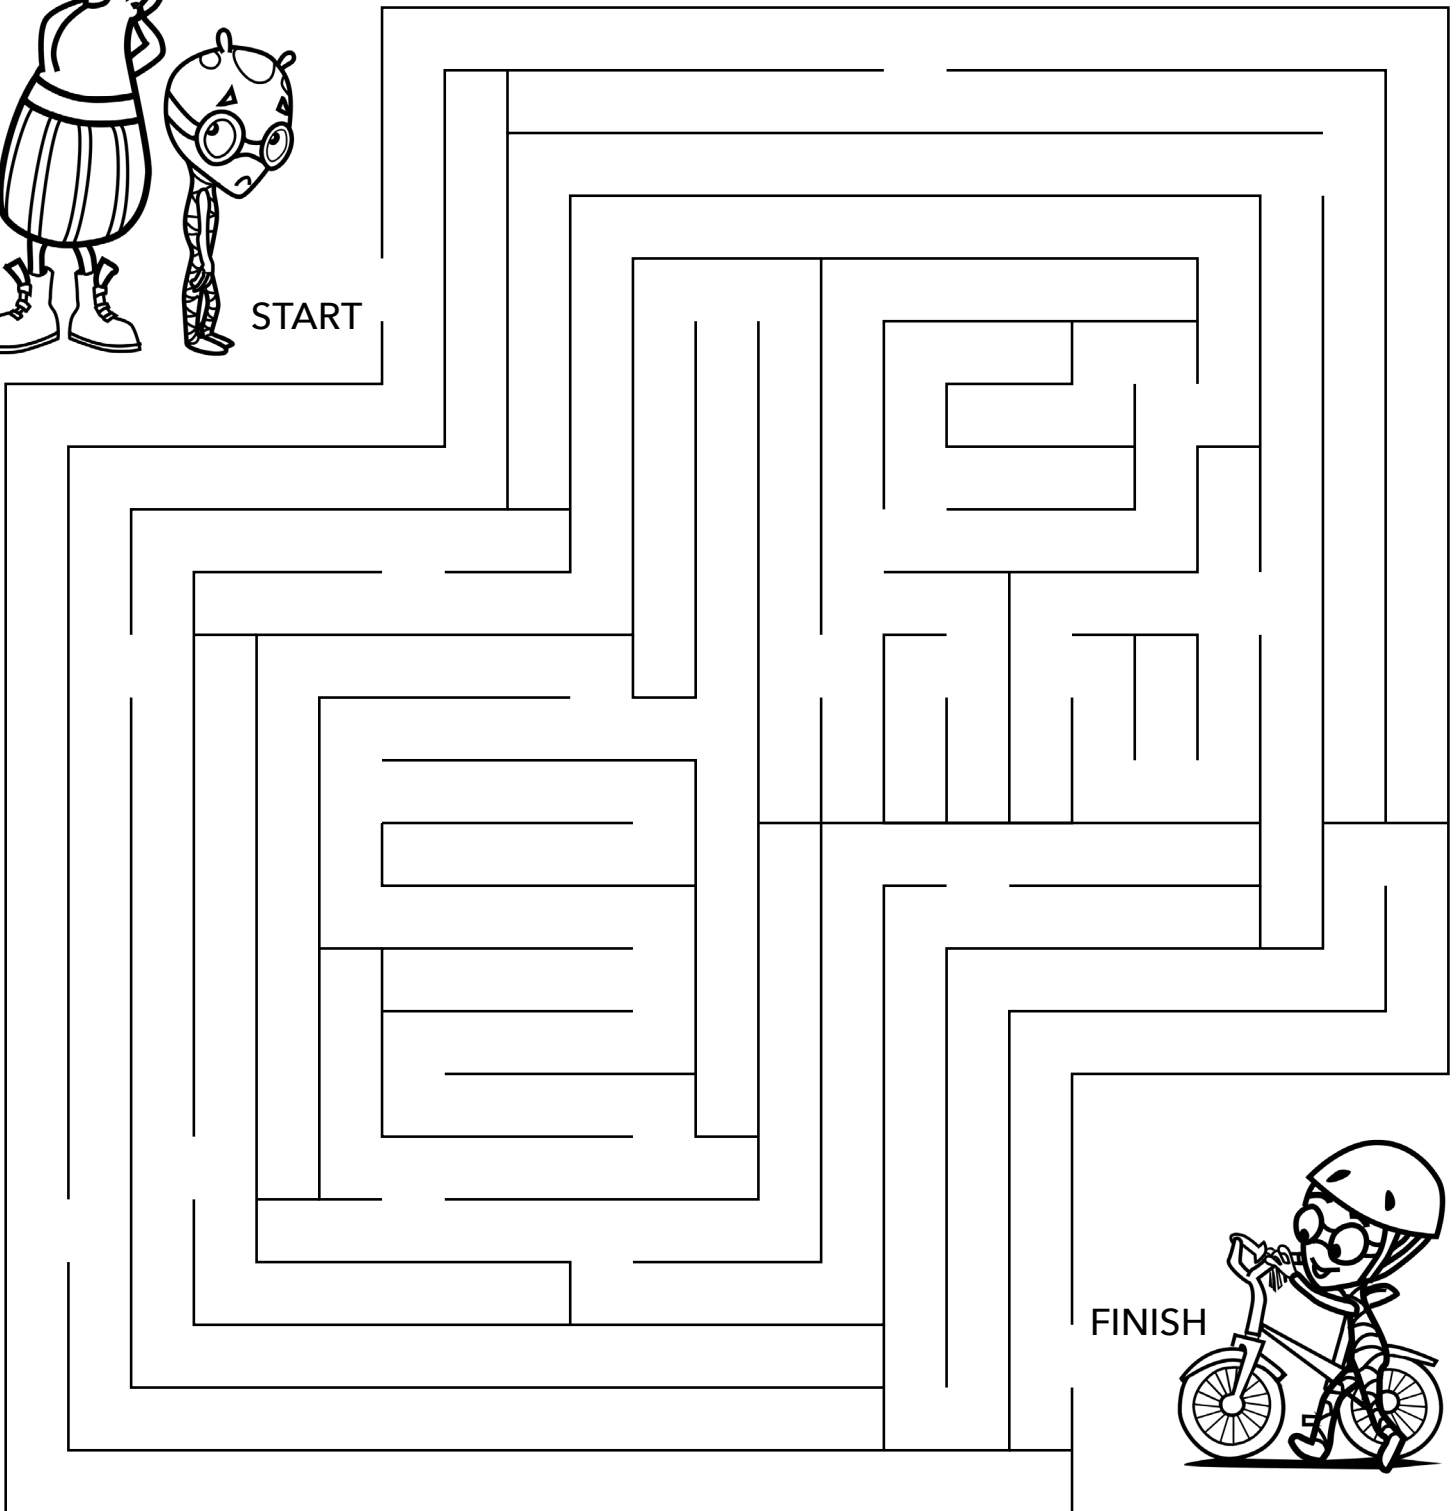

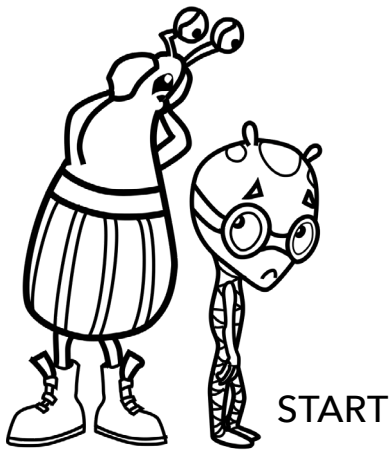

What can you do for free at the park?

Circle or color in all the free things you can do for fun.

Help Gibbins find his lost bike

Gibbins let Foop borrow his bike, and Foop lost it.
Draw a line through the maze to help Foop find the bike.

Gibbins is saving his money to buy a bike.

What would you save money to buy?
