GOODMAN BACKPACK DRIVE HUGE SUCCESS

Madison Credit Union participated a little differently this year in the Goodman Community Center's Annual Backpack and School Supplies Drive.

As a consistent donor for the drive for the past seven years, the Goodman Community Center asked if we were willing to be a school supply drop off site. Of course, we jumped at the chance

to help one of Madison's beloved community centers. Goodman's 2023 goal was to equip 500 local youth with the supplies they needed for school, a goal that was not only reached but surpassed.

This year, Madison CU used funds from chocolate sales and our employees' Jeans Wednesdays donation fund (so we can wear jeans on Wednesdays) to provide over \$500 in backpacks and school supplies.

Our wonderful members and amazing community also stepped up and brought in boxes and bags full of school supplies. Some members even gave monetary gifts in lieu of supplies. We were humbled and proud with how everyone stepped up to help the kids. A child feeling prepared and equipped for school can help give them the confidence to succeed. It also helps struggling families with relief when

looking at the ever-increasing cost of school supplies.

Our deepest thanks to all those that supported the backpack and school supply drive. Together we made a huge difference.

Ever wonder where the money goes from our chocolate sales?

When we aren't having a special event month for donations (October & November for cancer awareness, February for the Children's Miracle Network) all those Seroogy's chocolate purchases go to supporting local events like this.

What to do if you think your MCU account has been compromised.

Monitor your accounts. Monitor account activity by looking specifically for unknown purchases or credits and new Bill Pay or Pay Anyone activity. You can set up account alerts in the mobile app or online banking to help track activity.

Turn your debit card off. Go to the MCU Mobile app, click 'More' then 'Debit Card Controls'.

Call us. Call us at 608-266-4750. If it's the weekend and you are worried about your debit card, call: 800-523-4175, for your credit card call: 866-552-8855.
