FRIENDLY FACES
Meet some of the newer faces of MCU

Left to right: **Emrah, Matt, Miley & Kyle**
Michael was out of the office for this one.

One of the best things about a growing team is getting to know the people behind the names. This past year, we've welcomed four new faces to MCU—and one familiar face into a new role. To help you get to know them better, we asked them a few questions to break the ice.

Meet Emrah - Member Solutions Spec.

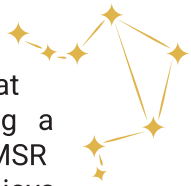
Originally from Turkey, Emrah joined MCU last year in collections following a career in real estate. This year, he stepped into the role of Member Solutions Specialist, where he supports both the teller and lending teams. He loves getting to help members in different ways—and the fact that no two days are quite the same. Outside of MCU, he's a car enthusiast who enjoys the gym, golf and gaming.

Meet Matt — Member Service Rep.

A Whitewater native and UW-Madison Computer Science student, Matt wanted to be more involved in the Madison community and found a home at MCU. Outside of school and work, he plays basketball, follows just about every sport and can solve a Rubik's Cube in under a minute.

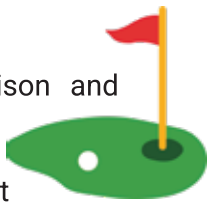
Meet Miley — Member Service Rep.

Originally from Marshall, Miley is a real go-getter. She's a high school senior taking college courses at MATC while considering a future in law. A former MSR at Avestar CU, she enjoys getting to know members at MCU. Outside of work and school, she's a Twilight fan, astrology enthusiast and aspiring skydiver.



Meet Michael — Member Service Rep.

Michael is finishing his finance degree at UW-Madison and has his sights set on becoming a CFP. He joined MCU to get some real-world experience in the financial field—and to start putting what he's learning into practice. Outside of work and school, Michael is usually happiest on the golf course. He's also an early riser, rarely turns down a bag of Goldfish and has Italy on his bucket list.



Meet Kyle — VP of Operations

Kyle joined MCU after leading a small credit union in Wausau. He was drawn to MCU for the chance to work at a credit union where people know their members, know their community and can make a personal difference. Outside of MCU, he's a pickleball-playing, dog-loving, Houston transplant who has somehow become a fan of shoveling snow.

These are just a few of the people that make MCU what it is. We're glad they're here, and we hope you'll say hello the next time you see them around the branch!

CREDIT CARDS

Great for online purchases

Bad for carrying a balance

VS

MCU's KWIK CA$H^

50% LESS INTEREST than a credit card^

Cash in seconds, *anytime, anywhere*

^Kwik Cash is a line-of-credit loan with a 13.90% APR (annual percentage rate). Minimum payments are $4 per $100 borrowed with a minimum payment of $20. Credit card APRs vary by card and issuer. Check the terms of your credit card or your current APR.

Need cash *Kwik*?
(608) 266-4750

CREDIT UNION UPDATES:

NEW SHARED BRANCH LOCATION

A new shared branch is opening at the east-side **Connexus Credit Union, located at 2555 Shopko Dr.** As a reminder, shared branches offer standard banking services like check cashing, withdrawals, deposits, loan payments, and more.

This new location adds to the current two Dupaco ITMs that are available to shared branch members on both the east and west sides of Madison.

Our 2026 Scholarship Winner

Congratulations to Jenner Z., a UW-Madison student and recipient of Madison Credit Union's 2026 Raising Minds Scholarship! Jenner is building a career in fusion energy, already gaining research experience while working toward a future where fusion power is part of the everyday grid — the same drive that made him a standout team captain and a disciplined saver as a student.

Each year, our scholarship committee looks for members who show real dedication — to their education, their community, and their financial future — through both their achievements and their own words. If that sounds like you or someone you know, applications for the 2027–2028 Raising Minds Scholarship open January 15, 2027. **Learn more and apply at madisoncu.com/scholarship.**

GOODMAN SCHOOL SUPPLY DRIVE

Our back-to-school supply drive on behalf of the Goodman Center was another success! We used money from our Chocolates for Charity sales and employee Jeans Fund to purchase about $1,000 worth of backpacks and school supplies. (*The Jeans Fund allows employees to get an extra jeans day on Wednesdays for a $5 monthly contribution.)* Members stepped up with additional supplies and monetary donations.

We're grateful to our employees and members for coming together to support the Goodman Center and help local kids start the school year ready to learn.

Reminder

Christmas Club Account Holders

If you take advantage of our Christmas Club Account, your **funds will be automatically released on October 1**.

If you haven't yet taken advantage of this unique savings account, it's a great way to incentivize yourself to save for end-of-year expenses. The account features a higher interest rate than a standard savings account, along with an early withdrawal penalty that can help keep your savings on track.

Interested in opening one? You can easily open a Christmas Club Account—or another secondary savings account—through online banking or by calling the credit union.

Upcoming Closings:
November 26th & 27th
December 25th
January 1st
